**Please note:** 1) Decanter does not pay any charges (Duty VAT, delivery, etc) that arise from shipping your wine. Please ensure you arrange with your courier to cover all such costs. In many cases this can be done by ticking the appropriate box on the shipment/airway bill, requesting that the Shipper pays Duty & Tax etc. You risk your wine not being entered if this is not resolved beforehand. Many thanks for your cooperation. 2) If we do not receive your excel spreadsheet (wine details) via email, your wine will automatically be disqualified. 3) When wines are tasted, their results will be published in the magazine. We will not withdraw any wines that have been tasted from the results no matter what score they receive.
