BOOK FABULOUS WINE EXPERIENCES

## Host wine lovers from all over the world!

[WineTourism.com](https://www.winetourism.com) is an online booking platform that offers a variety of tours and activities for wine lovers around the world.

Up to 3,000 wineries are registered on our platform and their number is growing daily. With the help of [WineTourism.com](https://www.winetourism.com), tourists can easily find a cellar in the desired region and book a wine tasting or any kind of tour is provided by the different wineries.

## What is the structure of the WineTourism.com platform?

The platform includes a very simple search engine system. Tourists can easily search for a particular winery or wine experience in a specific wine region.

After choosing the location the visitors will see the cellars that are represented in this particular place. On our platform, each winery has its profile and wine tours.

A wine tour can be:

- Tasting,
- Master class,
- Lunch,
- Any other activity that the cellar offers to the tourists.

Tourists can pick the experience and make a simple booking which takes only 2-3 minutes. After making a reservation, the WineTourism.com group connects to the cellar. We confirm the reservation to the visitors based on the conversation with the cellar. WineTourism.com provides all the payment procedures; Visitors pay the tour fee, WineTourism.com takes its commission and transfers the rest of the money directly to the cellar.

## How wine cellar can register on the WineTourism.com platform?

To register on the WineTourism.com platform, you need to fill out a small and simple registration form. After filling out the registration form, our staff will confirm your application and start working to create your cellar profile. **Registration on the platform is completely free.**

We will publish information about the winery and wine tours you are selling. So easily you can get new bookings via our platform.

### How does the commission system work?

WineTourism.com takes a transaction-based fee of 10% of the transaction value, or €2 per person, whatever is the larger of the two calculated fees.

**Or scan it!**

## What happens after register a cellar on the WineTourism.com platform?

After registering on our platform:

- The professional team of WineTourism.com starts creating a cellar profile.
- The profile is created on the basis of close cooperation with the representatives of the cellar to make it appear in the best way.
- The profile will give the unique characteristics of the cellar and its wine tours, which is very profitable from a marketing point of view to push the tourists for visiting.

Booking a tour is technically very simple, which further enhances the possibility of receiving bookings.

## What are the benefits of being on the WineTourism.com platform?

- The potential for getting new bookings from international or local tourists.
- Free registration and the creation of a cellar profile that helps wineries increase their global awareness.
- Managing bookings and tour payment by WineTourism.com's professional team.
- Wine tourism is a growing industry. WineTourism.com also has great potential to grow, which can be proportional to the increase in the number of bookings with our partner wineries.
