International Trade Fair for Wines and Spirits

Jio World Convention Centre  
Mumbai, India

मुंबई

Greetings from ProWine Mumbai.

ProWine Mumbai is the youngest member of the family events of ProWein World. The event brings together industry stakeholders with a full-fledged exhibition of wine, spirits, craft drinks and related products & services along with a comprehensive Conference / Masterclass Program and a networking evening.

The inaugural edition of ProWine Mumbai 2021, which was jointly organized by Messe Düsseldorf India and All Things Nice, was a big success. The event was very well received featuring over 200 brands from 70 companies across 13 countries with 15 masterclasses and 2,017 attendees.

With the overwhelming response to the first edition, we are excited to inform you that the next edition will be held from **17 – 18 October 2022 at Jio World Convention Centre, Mumbai.**

Given the potential of international brands in India, the growth of ProWine Mumbai is promising. We invite wineries and producers to join us for an interactive session introducing nuances of the Indian wine market, trends with future projections and to consider ProWine Mumbai as a door opener to reach out to the Indian audience.
